President's Report

by John Long

Cav Troopers and Friends,

This is it! The next reunion is upon us and **WE WANT YOU THERE**. The ground team from A Co is doing a superb job preparing the site and arranging for you to join in the best reunion yet.

At the last reunion, we were honored to have one of our own, the Chief of Staff of the Army, General Wickham speak. This year General Maury Edmonds will be our speaker on Friday evening at the banquet. General Edmonds was the 5th Bn 7th Cav commander during some of the toughest times of the war (1970) and has continued to display a strong interest in the welfare of his men and the battalion at many of our reunions.

We always have had a large turnout at our reunions but to continue to do so requires each of you to make a special effort. If you know you are coming, make your reservations and get your event requests in ASAP. Contact a

buddy; **get them there**. If you've got a name but no number or address, contact Don Shipley or Jasper, get the info and **get them there**. If you know somebody that was at a past reunion but haven't seen them lately, call them, **get them there**.

Some platoons and companies in the later years have done a tremendous job of locating fellow troopers and **getting them there**. Do the same for the men in your squad, platoon or company.

We have lots of fun things for you and your families to do at the reunion. There will be a little business to do and a special Memorial Service on Saturday. The weather will be perfect. Don't forget to bring those special items for the raffles. Suzy and I look forward to seeing you there.

Vice President's Report

by Karl Haartz

Greetings from "Krazy" Karl,

I will make this a short article so you can read about the up coming reunion and make your reservations.

I am going to pass along a letter I received from Ray Saucedo. Ray is a newly located troop from H&HQ Company 1968. A letter like this makes all our hard work worth the effort in trying to locate new troops.

Dear Karl,

I was extremely surprised and excited to have received your letter. To think that there existed an organization just for 5/7th Cav! As you requested I am enclosing copies of some old orders. I hope they help in locating other fellow troopers. I'm updating the information sheet you enclosed and making the appropriate corrections on it. I have a more appropriate email address that I am sending that receives more attention than the one you have listed for me. It is as follows rsaucedo@poly.rusd.k12.ca.us.

My eyes lit up when I saw the items listed in the PX and felt like a kid in a candy

store. I will definitely join the association and look forward to further correspondence with you and any other 5/7 members. Unfortunately I will not be able to attend the reunion, but look forward to next years gathering. Hope all is well with you and Garry Owen.

Sincerely Ray

Ray sent me some orders that listed the addresses of the "Next of Kin" of the troops on the orders. This was something that was on replacement orders not KIA. I haven't had time to check these out but this is why I would like everyone to get a copy of their orders from National Personnel Records. It is easy to do. Write me, call me or just plain yell and I will tell you how to get them.

SEE YOU IN KENTUCKY, with a copy of your orders.

Reunion VII Update #2

Warm weather has finally arrived here in Northern Kentucky and we're already cutting grass. It seems like we were just shoveling snow. Time is flying by and Reunion VII is only a few months away.

From the amount of rooms already reserved, it appears that we will have a great turnout for this reunion. If you are planning to attend and haven't made your room reservations yet you need to do so as soon as possible. Just in case you need a reminder, Reunion VII will be held in Northern Kentucky at the **Holiday Inn Cincinnati-Airport. The address is 1717 Airport Exchange Blvd., ERLANGER, KY 41018. The phone number to make your reservations is: 859-371-2233.**

The dates for the reunion are **Monday July 26, through Saturday July 31, 2004.**

LETTERS

Cav 5/7 Troopers --- I just wanted you guys to know how much I appreciate you putting Connie Pearson and myself together. For the past two years we have maintained contact and plan on visiting each other again. I live in Texas and he is in Illinois so getting together isn't that easy but we will some how. Connie is an inspiration to me and I'm sure everyone he comes in contact with. I spoke with him a little while ago on the phone and he and Sue are doing pretty good. He said he wants to come back down here and go to the coast again with myself and my wife. I hope that will be possible. Anyway, I just wanted to thank all you 5/7th guys for putting us together and supporting each other like you do.

Take care and God Bless and Garry Owen, Keith Bodine

Sir - I'm LTC Jody Petery, currently assigned at Hohenfels Germany as the S3 of the Combat Maneuver Training Center. On 5 May 04 I'll be taking command of 1-3 ADA BN at Fort Stewart GA, and will transition this BN into an Armored Recon Squadron, to be designated 5-7 Cav. I believe the lineage will be traced directly to 5-7 Cav (Airmobile). The Armored Recon Squadron will be the "eyes and ears" of the 1st BDE, 3 ID as the entire Division leads the Army into transforming into Units of Action and Units of Employment. I will find out the specifics of the activation dates and ceremonies and coordinate with you or the appropriate representative to include as many veterans of 5-7 Cav as possible. I participated in the transformation of the 1st Stryker BCT at Fort Lewis and we were able to closely align our Squadron (1-14 Cav) with the 14th Cavalry Association and it produced an excellent opportunity for young troopers to bond with the heritage of the unit and for veterans to actively participate in unit functions. Please forward this note to any other Association officers, who can be of assistance,

Very Respectfully, LTC Jody L Petery, US Cavalry

Editor's Note: The Cav 5/7 Association Board has been in contact with LTC Petery and arrangements are being made to participate in the May 5 reactivation event. The Board has also extended an invitation to LTC Petery and his troopers to attend Reunion VII in July. They are seriously considering this invite. Stay tuned for more news on the reactivation. As it develops it will be included on our web site and in future newsletters. GarryOwen!

REUNION VII RAFFLE PLANS

The success of our past reunions has been greatly enhanced by the super raffle prizes that our members have donated. We're counting on having some great raffles at this reunion too; so if you have some great prizes in mind don't forget to bring them along.

We'll be setting up a special location for all raffle prize donations so everyone can get a chance to look them over before the raffles begin.

In past reunions donated prizes have included TV's, VCRs, models, handicrafts, paintings, sculptures, camping gear, and lots of other good stuff.

Don Shipley's To Do List

- Call this number and make your reservations at the reunion hotel: **859-371-2233.**
- Tell the hotel reservation clerk that you are taking part in the 5th Battalion 7th Cavalry Reunion so you get the Cav 5/7 discount rate. --- \$73.00/night.
- Send your reservations and money to **5th Battalion 7th Cavalry Association, 43468 Mclean Court, Novi, MI. 48376.**
- Mow grass until dark then call all the guys from your squad in Nam to ask if they have called hotel and sent in their reservations. It's a lot more fun at reunions when old friends all make it there!

• **Remind them we want them there!**

The hotel is filling up so get it done today. I'll see you all in July in Kentucky. Anyone needing a roster drop me a line, or call, or just see me at the reunion. And yes my grass is mowed and my reservations have been made, long ago.

SEE YOU THERE!!!

Garry Owen, Don

IN MEMORIAM

Another one of our members of the 5th Battalion 7th Cavalry has fallen. Charles Love 57, of Owen, WI died Tuesday, March 23, 2004 at home. Services were held on Monday March 29 at Our Savior's Lutheran Church in Menomonee WI. Burial with Military Rites was held in the Northern Wisconsin Veterans Memorial Cemetery in Spooner WI. Charlie can be remembered by the chapter in Bernard E. Grady's book On The Tiger's Back, Chapter 5. Charlie was in B Company basic training with Rod Henning and we're sure many members knew him quite well. This summer we will visit the Veterans Memorial Cemetery as it is new to our area. We are not sure if there will be a visitation, if so we will attend as members of the 5th and 7th Battalion. Rod & Betty Henning

DALE ERICKSON, 17306 S.E. Auburn - Blackdiamond Rd., Auburn, Washington 98002 passed from this life, at his home with his family at his side, on November 21, 2003. He was 58, when he was diagnosed with lung cancer in mid-September 2003. He served in A Co., 1st BN/11th INF prior to the inception of the 5th Battalion 7th Cav. Dale served with A Co., 5th BN 7th Cav from 1966-67. He earned the Purple Heart and the utmost respect of those who knew him and served with him. Dale attended the reunions in Detroit and Colorado Springs. Dale is survived by his wife Mary, his children: Cale, Christine and Jennifer, his grandson Dale William Erickson, father Howard, and brothers Don & Gene. He was buried at the Tacoma National Cemetery near a lane called "Street of Hero's" on Nov. 25, 2003. Dale will surely be missed by his family and many friends.

Fellow Cav 5/7 Troopers: The wife of General Hal Moore, Julia Moore, passed away peacefully on April 18. Services were held on Thursday April 22 in Auburn, Alabama. General Moore requested that any donations made should be made to the:

"Ia Drang Scholarship Fund"

First Cavalry Division Association, 302 N. Main Street, Copperas Cove, Texas 76522

TREASURER'S REPORT

Take the time to read the Financial Report. If for some reason you find a mistake, let me know. We are getting checks in for the reunion. If your check came in after the bank date, you will not see it in this newsletter. It will be in the next one.

Again, I have some good news and some bad news. First, the good news, we are getting closer to the reunion. This will be the seventh reunion of the Cav 5/7 Association. We hope that you have made plans to attend. I personally visited the hotel and it is very similar to the hotel were we had our first reunion. This hotel is even better because they really have kept it up. I was surprised at the hotel cleanliness and the hotel staff wants to make our reunion the best one ever. So, take the time to call for a reservation, take a few days off for a vacation, and join some friends for a good time.

Now, for the bad news, Rod Henning recently informed me that Charles Love passed away. Charles had lived alone these past few years. Friends who hadn't heard from him for a few days found him. The funeral was attended by Rod and

Betty Henning, Dick Rohl and members of Charles' family. The Association sent flowers. Charles was buried in a Veteran's Cemetery in Spooner, Wisconsin.

I can remember being with Charlie in 1st platoon. We were together many days and nights in Vietnam. Once, while walking along a rice paddy dike, he started shooting like a mad man at the water. I said, "What's going on?" He thought he saw a snake in the water. Then within 10 minutes, there was an explosion behind me. I was directly behind Charlie when he let out a yell. I said, "What happened now?" He said, "I just got hit." I could not believe it because it would have had to hit me too. I figured it was another snake story. Sure enough, he took a few more steps and then decided to pull down his pants. He had a very small hole in the left cheek of his butt and it drew about two drops of blood. We both got a laugh out of that.

Another time we spent about 4 hours in a foxhole watching the Air Force blow the hell out of a village just 100 meters in front of us. Those bombs were so close

we thought they were going to hit us. In fact, one F4 flew so close overhead we could see the pilot as he let loose with a 500-pounder.

Charlie loved to dance and sing. I was from Detroit and Charlie loved the music from Motown. I think he knew all the hits coming from Motown. I will always remember him singing "My Girl" the first time we got to the EM Club in Colorado. Charlie made many of us laugh. We didn't laugh at him. We laughed with him. For those of you who have copies of Bernie Grady's book, "On the Tiger's Back" you see a chapter about Charlie Love. It truly is a shame the short memories we have of people and the how fast the many years since that time have gone by. This is why this Association is around. Take the time and talk to those who made you laugh and were with you during best of times and the worse of times.

**GarryOwen,
Jasper**

RECENT NEWS

THE CAV 5/7 IS TO BE REACTIVATED AS THE 5TH SQUADRON 7TH CAVALRY

Our Cav 5/7 association was notified by the Squadron Commander designate, LTC Jody Pety, that the unit will be reactivated in a ceremony to take place on May 5 in Ft. Stewart, GA. The unit will be a mixture of Bradley Fighting Vehicles, Up-Armored HMMWVs with powerful Scout Sight systems (LRAS3), UAVs, and both Ground Surveillance Radars and Signal Intercept Radars, but most importantly troopers.
